

## Said In Cypress

That we'll take up where we left off last week. We'll miss the lovely floral decorations in the hall of the school now. Miss Dickerson managed one recently with lavender, purple and white flowers. The resulting arrangement would put a professional florist to shame.

That we wonder where "Uncle" Smith and Sam Rosen hurry to so many evenings early — all dressed up, before the rest of us have thought of finishing our day's work. Could be they help to keep Hollywood and Sunset strip on a financially strong basis? It's quite a drive up there even for "Uncle" Smith's car.

That little Mrs. Frank Davis came in especially one day recently to assure us that it pays the advertisers to publicize their specialties through these columns. Having the great misfortune to break her glasses, she was happy to give the good doctor the name of newspaper as the referring agent. We have never said so in black and white, but if all our readers would mention when making a purchase that they read about it here, this column will be available for reading for a much longer period.

That we know you, Lee Stradley. That new paint job on your Buick is beautiful. Pretty, too.

That Marion Hubbard has a pet the likes of which we've never before heard. Glenn brought a baby humming bird into the house. The nest had been disturbed and the little one was left alone. Marian feeds it honey water from an eye dropper, and everytime she walks past, the birdie makes a fluttery sound and opens its mouth.

That we scooped the members of the congregation of the Cypress Church of the Nazarene by being one of the first to ride in the new bus. With James A. McCoid at the controls and piloted by Pastor Howard, we whizzed down Walker street. Quite a bus. And when painted the proper color, we can see that it will be practical from a great many viewpoints.

That Charles Briner, more familiarly known as "the dog catcher" over Orange county, called on us at home (in Buena Park, that is) in an official capacity last Wednesday afternoon. While he was there, a call came over the car's radio that a dog was running around in Cypress biting people. Now all of us dog owners are nice people, and we're as embarrassed as the next one for our pets' behavior. The Cypress chamber of commerce has heard complaints on biting dogs. Let's see if we can't work together to solve this annoying problem. We'd like to suggest a meeting in the school house of all dog owners but after a year and a half of working for community cooperation, we have a stinking idea that we'd probably meet ourselves. Understand, we have no idea who owns any of the dogs in Cypress under question, so we don't know upon whose toes we are treading. In lieu of a meeting among ourselves, let's all work with the chamber of commerce to make the streets safe for those who wish to venture out these lovely summer evenings. We will welcome suggestions personally, or through the paper.

## School Picnic Big Success

Eagerly awaited by school children each spring, the school picnic this year in Anaheim park on Tuesday was a great success. Attended by children and their parents, attendants were quoted as having said it was probably the largest gathering in the park's history.

Children were transported to the picnic grounds in private cars, trucks, and by school bus. Following the noon meal, a planned program of games was carried out.

On regrettable accident marked the day's events when Darlene Washburn, first grader, fell off the merry-go-round. Four stitches were necessary to close the gash caused by the fall.

Otherwise the school picnic for 1949 became history and a pleasant memory.

## CLEANERS CHANGE TRUCKS

Changing color schemes this week, the Cypress Cleaners and Dyers is re-commissioning its red truck for pick-up service.

Joe Elledge is driving the route these days, taking the place of Henry Nagode, who is in Cleveland. He will marry Miss Emily Jenko of that city and he and his bride will be in Cypress in about two weeks.

## Breakfast Club Will Meet At 7 A.M. Tuesday

The first meeting of the business men's breakfast club since its discontinuation last year will be held Tuesday morning at 7 a.m. at Ernie's Drive-in.

The purpose of the meeting will be to decide whether or not the businessmen are in favor of continuing the meetings as was the custom last year.

All Cypress citizens who are interested in the business problems of the town are invited and urged to attend.

The decision to call the meeting was announced at the Cypress chamber of commerce meeting Monday night at the school house.

**Chamber Receives Complaint**  
Complaints of dangerous dogs roaming the streets, especially at night, were also voiced at the meeting. Several cases of licensed dogs biting people have been reported, and it was decided to contact the Sheriff's office to see what could be done to lessen the menace.

**Christmas Fund Problem**  
A method of collecting money for the annual Christmas fund, designed so that merchants wouldn't have to pay a large lump sum at the last moment, was discussed. Ideas having to do with the various plans to collect small amounts in a "kitty" over a long period of time were suggested and Leona Murdock was appointed chairman of a committee to work out a system.

## Nazarenes Here Acquire Bus For Church Use

Members of the congregation of the Cypress Church of the Nazarene are thrilled to the recent acquisition of a large-capacity bus, which was purchased from the Crown City Bus company in Phoenix. The gray bus will be painted orange when it is commissioned for use here.

Speaking of the advantages to be gained by the use of a bus, Rev. W. D. Howard, pastor, stated that it is expected to route the vehicle on Sundays to pick up boys and girls in outlying areas who could not otherwise attend church school because of distances. The bus will also be used in the church's program as a means of attending youth rallies, camps and social gatherings.

The church will sponsor a novel idea for securing donations to help pay for the bus. Selling at \$10, it is planned to issue shares for the gift. It is felt that many will be willing to go along with this plan, since the purpose behind the purchase of the bus is to bring happiness to boys and girls.

## Free Theatre Passes Given To Cypress Enterprise Readers

The ENTERPRISE, with the cooperation of its advertisers, is giving away free theatre passes each week to alert readers who discover misspelled words in the advertisements.

The passes will be good any weekend at the Cima-Car Drive-In theatre, located on mile east of Cypress on Lincoln avenue.

All the potential winners of the passes must do to win them, is to look through the ads and find which ones have at least two misspelled words. Both words must be in the same ad.

The first person to report in person, the correct misspelled words to the merchant who sponsored the ad will receive two free passes. NO ANSWERS WILL BE ACCEPTED BEFORE FRIDAY. More than one advertisement contains at least two misspelled words.

This contest will be continued in future issues of the ENTERPRISE but from week to week, the ads in which the mistakes occur will be varied, and the system of selecting the winners will change, so that readers on the rural routes will have a better chance of winning.

## DINNER GIVEN FOR BOAT WORKMEN

In appreciation for having had a boat christened for her this week, Mrs. Leona Murdock entertained the crew of workmen who constructed the craft at dinner Saturday evening.

Called the "Esther Lee", the finishing touches were added last week and the vessel was moved from its location on La Salle st. in Cypress Acres by John Farnell, boatbuilder, for whom the men worked, to be commissioned for use.

Signing the guest book in Leona's new home, and sharing in the festivities were Larry, Richard and Henry Ross, brothers; Harding Edkins, Everett Hale, and Joe Sorutto.

The guests in turn showed their gratitude by presenting a lovely orchid to the much-surprised hostess.

## Plan Activities For Week-end June 25-26

The week-end after next is promised to be a busy one. Saturday night the Alamo Property Owners' association is sponsoring a dance to be held in Laurel school. Proceeds will benefit their own recreation area, and the planned Community building in Los Alamitos. A fine band, good entertainment, door prize, all of that just for a dollar a couple. Where could you do better? Buy your ticket now.

Sunday, the American Legion Post 716 holds its dedication on the school grounds. The Legion Band from Long Beach will give a concert from 12:00 to 1:00, followed by a luncheon served by the ladies auxiliary. At 2:00 p.m. the program will commence.

## Merchants Whip Coast Grain, 18-1

Eddie Arbeso, serving as Merchant pitcher in place of Earl Holliday, held the usually strong Coast Grain team from Downey to one run as the local outfit shellacked them 18 to 1 Tuesday night.

The Coast Grainers weren't up to their usual standards as they did not have all their regular players.

Coast Grain began the first inning with a run but Cypress matched it and added three more, making the score 4 to 1.

In the fifth, Cypress ran wild, garnering seven more runs and building their lead to 11 to 1.

In the sixth the locals repeated, adding seven more markers. That ended the scoring and the game stood at 18-1, the final count.

The game, played on the Cypress elementary school diamond, was the tenth win of the season for the Merchants, against only one loss.

## Summer Bible School To Open For Boys & Girls

Children from four years to 14 are invited by the Cypress Church of the Nazarene to participate in the summer Bible school. To begin Monday morning, June 20, children of all faiths are urged to be present.

Beginning each day at nine o'clock, the classes will be dismissed at 11:30 a.m. In addition to study of Bible stories, a well-rounded recreational program is also planned. It is expected that twenty volunteer teachers will help with activities.

The school will close July first. On the last Friday evening, a program will be presented.

The school will close July first. On the last Friday evening, a program will be presented.

## Change Dates Set For Fall Festival

Due to the fact that the dates previously set for the fall festival would occur during the fair at Pomona, it was decided at a meeting recently to set them up a week. Members of the business association agreed that the new dates, September 8, 9, and 10, would best serve the interests of the sponsoring organization.

Maurice Pirot presided at the Los Alamitos business session.

## ALL-STATES PICNIC AT ONTARIO JUNE 18

Preparations are being made for the All-States Picnic to be held again this year in Ontario, Saturday, June 18. This is the second revival since the war.

An estimated 100,000 attended the picnic last year. A table two miles long, at which picnickers find the banner of their native states and join with others transplanted to California, is the feature of the occasion.

## Scout Leaders From County Meet In Cypress

Scouting for boys in Cypress was given a thorough airing and discussion last Monday evening in the school house. The local committeemen from the VFW which sponsors Boy Scout troop No. 76 here were hosts to important leaders throughout the county.

Speakers for the evening were Camp Director L. E. Paxton, county council executive and District Council President Francis Addy. It was explained that there are three different age-groups in scouting. Cub Scouts are from eight years, Scouts from 11, and Senior Scouts from 14. The latter group will be called Explorers in the future.

Roll call 1949 — scout summer camp, received a good deal of attention from the leaders who were told what they could expect at the session beginning soon. Based on a strict schedule beginning with reveille and ending with taps, time is also reserved for the boys to use their own initiative and develop their own leaders. Other activities aimed at pleasure include boating, horse back riding and swimming.

Cypress troop leaders considered themselves fortunate to have the opportunity to entertain the following scoutmasters from over the county: Ray Hill, T. L. Stelzner, E. C. Taylor, C. W. Hart, Dale Miller, Al Woodward, Bill Cuthbert, Bob Corham and Frank Bowling, president of Troop No. 13.

Helping Scoutmaster Jack Kepner and VFW committeemen John Sutphin, E. E. Luty, Anthony Sedia and Frank Buzzo in host duties were Elmer V. Corby, and Foster Noe, from the local board of review.

WORK ON INTERIOR  
OF DRUG STORE NEARS  
COMPLETION HERE

In preparation for the grand opening of Henry's drug store to be announced next week, the work of arranging the stock and putting finishing touches to the installation of equipment nears an end.

The luncheon program and fountain service was inaugurated this week.

Assisting Henry in carrying on the reorganization has been his mother, Mrs. Arch Henry. Also helping are Mrs. Beatrice Hahn, Mrs. Chris Cardin, Dolores Cardin, Pat Shedore, Doris Bouse and Dorothy Taylor. Charles Clark, recently graduated from Fullerton junior college, is also a new employee.

An estimated 100,000 attended the picnic last year. A table two miles long, at which picnickers find the banner of their native states and join with others transplanted to California, is the feature of the occasion.

## "GOOD NEIGHBORS" HELP AILING FRIEND; GIVE BENEFIT DANCE

A benefit dance will be staged in the Quon-Sut Hut Tuesday night at 8 o'clock for a man who was near death last week after an operation.

Hospitalized after several weeks of illness during which he was able to make a living raising rabbits, the man for whom the benefit is being given, has lost his means of income. Neighbors, Mr. and Mrs. H. J. "Happy" Kreissler, and Arthur Cook, 8582 Acacia drive, have come to his rescue.

In order that he might keep up payments on his home and other normal expenses while he is bedridden, they have arranged the dance in his honor at one dollar a person. Bill Sutton, owner of the Quon-Sut Hut, 11915 E. Carson, has donated the use of his dance hall for the evening and his orchestra has agreed to play for a minimum fee.

Tickets are now on sale from most Cypress VFW members or Auxiliary members.

## Travelogue by James C. Duncan

(Ed's note: Duncan is a Cypress resident, and the paper is happy to publish the accounts of his travels for your reading pleasure.)

How many of you readers have often wished that someday soon you might board a large ocean liner and take a trip across the seas and visit all the strange foreign countries and cities that you have so often read about in the papers and in books?

I'll wager a great many of you have. I know I did while I was in school studying history and geography. My wish was granted when I joined the Merchant Marine. Of course, during the war, one couldn't see much of these places, but now that peace is here, these countries are open to all travelers, except just recently, China. Foreign countries now welcome visitors who come to them and who will spend their money for souvenirs.

During my time in the Merchant Marine, I made three trips around the world. I have seen many cities and many interesting and strange sights.

Realizing that everyone would like to see the things I saw, I took motion pictures on my last trip around the world. But, also realizing that everyone couldn't see these, I have written a book which is about half completed. The articles appearing in this paper in the following weeks are condensations from the chapters in my book.

In order to keep the story alive and true to life, I have to use a great deal of sailor's nomenclature. On board a ship a floor is a deck and wall is a bulkhead. Most of these words will be familiar to a great many of you. The way a sailor quotes the time will probably be confusing to a few, but it is quite simple to figure out. The clocks on a ship have twenty-four hours while your clock has twelve. If you ask what time it is on a ship you might be told 2100 hours which is 9:00 p.m.

The reader will also note that I mention Lenny a great deal. And well I should as he is my best friend and my companion on board the Mount Davis. Without Lenny's help, I would not have been able to take as many pictures as I have and I probably wouldn't be writing a book if it weren't for his constant encouragement and interest. Today, Lenny lives in Michigan, but we still write and remain in contact with each other.

This travelogue is based on the last trip I made around the world. I sailed on the American President line's freighter, the S. S. Mount Davis. She is the largest type freighter in our merchant fleet.

I made two trips on her which lasted nine months. Lenny joined the ship in New York at the beginning of the second trip. Each trip took approximately four months to complete. We spent an average of ten days in each port.

The cities we visited were Shanghai and Hong Kong, China; Manila, P.I.; Singapore, Port Swettenham, and Penang, Malaya; Colombo, Ceylon; Bombay, India; Suez Canal; Alexandria, Egypt; Mount Stromboli, Genoa, Leghorn, Pisa, Naples and Pompeii, Italy; Marseilles, France; Rock of Gibraltar; then New York, Norfolk, Virginia; Panama Canal, and San Francisco where we had started.

Next week, we board the Mount Davis in San Francisco and sail for Shanghai, China.

## Last Call For Firemen's Dance Saturday Night

Don't forget that proceeds from the dance the firemen are sponsoring in their hall on Saturday night, June 18, at nine o'clock will be used for a worthwhile purpose. The boys need new rubber hats, coats and boots to wear on fire runs. It may be they will be called to help protect your property. This is an opportunity to help in a pleasant way to defray expenses of the department.

Following the last dance a few weeks ago, the group which attended was so impressed with the orchestra, that plans were

made immediately to procure the same band for the affair Saturday night. Giving a good band of popular music, the rhythms executed pleased the entire group.

All members of the community are invited by the members of the fire department to attend. However, if this is impossible because of previous commitments, the money donated toward the purchase of a ticket will be appreciated. All members have tickets for sale. The fire-fighters urge you to tell your friends and your friends' friends and be present Saturday night.

## Mrs. Robert Hoyt Fetes Former School Friend

The home of Mrs. Robert Hoyt on Walker street, was the scene last Saturday afternoon of a lovely affair honoring Miss Gloria Bradford, of Garden Grove. The two girls were school chums. A miscellaneous shower was tendered Miss Bradford, who will become the bride of Simon "SI" Fluor III of Santa Ana on June 28. The wedding will take place in First Presbyterian church there.

Sharing in the festivities were the bride's mother and grandmother, Mrs. Ethel Bradford and Mrs. Frank Luton, respectively, both of Orange; Mrs. J. S. Fluor II of Santa Ana; and Mmes. Helen Hafer, Fern Colman, Emma Hill, Colleen Nesbitt, and Mary Jo Lupton, all of Orange.

A clever innovation, the attempt to place cotton "eggs" in a frying pan while blind-folded, kept the guests thoroughly amused. Mrs. Hafer won first prize and Mrs. Luton the consolation prize.

The house was attractive with spring flower arrangements, and the hostess served cookies and an ice box dessert at the close of the afternoon.

Ernest Hazzlitts ENTERTAIN RELATIVE

Mr. and Mrs. Ernest Hazzlitts are entertaining his sister-in-law, Mrs. James Hazzlitts of La Junta, Colorado. His brother, who stopped briefly on his way to Bakersfield, has been transferred to this area by the Santa Fe due to a work lay-off. He is a fireman.

Two children were left with their grandmother in La Junta, until a permanent assignment is made.

Ernest himself came to Southern California under similar circumstances. Sent here by the Santa Fe on a temporary basis, he and his wife now own property in Cypress and consider this their home. He is a brakeman.

## MRS. MIKE DE LUCCA LEADS GROUP STUDY

The final chapter of the book, "China Crisis," was studied by the Young Women's Missionary society at their recent meeting. Mrs. William Howard presided at the business meeting in the absence of Mrs. Toab Wolford. Devotionals were in charge of Mrs. Noxie Stearns whose theme was "Fasting and Prayer."

Co-hostess with Mrs. Edward Riddle at whose home the meeting took place was Mrs. James Palmer. The next meeting was announced for July 5 at the home of Mrs. Noxie Stearns on Western avenue.

## CYPRESS POPULATION SET AT 3329 BY CHAMBER COMMITTEE

Committeemen of the sponsoring VFW Post No. 9847 wish to take this opportunity to thank those who helped to make the first Court of Honor held in Cypress for their Boy Scout Troop No. 76 the success that it was. Much credit is due Scoutmaster Kepner, Miss Elizabeth Dickerson of the local elementary school, and to the Reverend W. V. Buckner, pastor of the First Baptist church and church pianist Gerry Allenman. The committeemen recognize the time and effort spent on the preparation for the services in their behalf. Recognition is also extended the parents and friends who supported the boys by attending the program.

Latest estimated population of Cypress stands close to 3329 people according to a report turned in to the Cypress chamber of commerce by Jim Broadbelt, chairman of the research committee.

The report was requested by the Santa Ana GLOBE, and due to the short period of time allowed to gather the statistics, scientific survey methods could not be used. The committee points out that, except for the facts obtained from official sources, such as telephones, others are not absolutely accurate but are close to the actual figures.

**Dwelling Units Number 951**  
The number of dwelling units in Cypress were actually counted and came out to be 951. Home ownership is 80 per cent. Number of telephones in town runs at 400.

Water meters are few in Cypress because of the fact that a great number of people have their own wells and also that Cypress Acres has its own water company. There are only 60 commercial meters and 300 domestic.

Domestic gas meters outnumber commercial, 940 to 80. There are 666 domestic electric meters and only 84 commercial.

Indications are that almost every family in town has a car, because automobile registration runs at 95 per cent.

The last item on the list disclosed the fact that the land values in Cypress are estimated to be \$5,773,540.

Local Store  
Changes Managers

Taking over the duties this week from Mrs. Ernestine Adams as manager of the Fashion Shop is Mrs. Joe T. (Alice) Gardner. Mrs. Gardner is a thoroughly experienced and capable saleswoman, and the store, which sells ladies, men's and boys' clothing, will be entirely under her management.

Mr. and Mrs. Gardner and their two daughters, Beverly and Betty, live at 5391 De Long street. They moved to Cypress about two months ago from Lakewood village. The girls have been students at Long Beach city college.

Mrs. Adams plans to remain here for the present, but may visit relatives in the east and south this summer.

## JOYCE NOE HONORED BY LIONS CLUB

At exercises held at Lakewood junior high school on Wednesday morning, Foster Noe had the proud pleasure of witnessing a ceremony in which his daughter, Joyce, was signally honored.

Being graduated with this year's class, Joyce was chosen by the Lion's club to receive its outstanding citizenship award.

Although Noe is a member of the Cypress hardware firm, Mr. and Mrs. Noe and their family live at 4532 Graywood, in Lakewood. Joyce is fourteen years old and is to be congratulated on this achievement.

**BIG CONTEST!!**  
PRIZES GALORE — IN  
THE ENTERPRISE

Set Up Job Printing Shop And  
Business Office Combination Here

As an added service to Cypress, a job printing shop will operate here in the future. The garage of the Frank Noe property on Lincoln avenue across from the Cypress elementary school is being fitted with a job press and type cases, along with other equipment, to give quick service for printing needs in this area.

Head of the concern will be Burt Kroesen, veteran printer, who recently moved to California from Ames, Iowa. He will be assisted by his son Dale, who has been employed on the staff of the Enterprise for the past few weeks.

Mr. and Mrs. Kroesen and Dale will live in the house on the Noe property. It is expected that the editor will live in the guest house on the premises.

The business office of the Enterprise, which has been housed temporarily in the building which belongs to the Cypress hardware, and in which Frank Noe has his insurance office, will be located in the front room of the home which the Kroesens will occupy. The public is invited to call at the new quarters and submit news items, advertising, and subscriptions to the paper.

## CALENDAR

Organizations wishing to have meetings or special events listed in this weekly calendar are invited to contact the office of the News, Buena Park 421, with their information.

**SUNDAY—JUNE 19**  
Church Services—All Churches.

## A HOLE IN THE GROUND

The Wyoming Eagle, of Cheyenne, tells an interesting little story of how industrial progress is made in this country—and of the risks that attend it.

In July, 1947, an oil well was started in that state. At present, the hole is down nearly four miles, and it has cost more than \$1,000,000. No oil has been located. Furthermore, even if the drillers do strike oil, they don't know if it will rise far enough in the casing to be captured, or if a pump can be manufactured to raise it.

Consequently, one of two things will eventually happen. Recoverable oil will be reached and in time those who took the risk will get their money back and earn a profit. Or, instead the project will be abandoned, and its backers will have the deepest man-made hole on earth, at a cost of a large fortune which can never be retrieved.

As the Eagle says, "All in all it seems pretty much of a gamble—but men are like that. There's nothing so intriguing as the unknown, and the endless quest for knowledge and adventure causes hardy souls to risk their lives and fortunes." That statement pretty much sums up the whole history of the oil industry. Untold sums of money have gone into the ground and have produced nothing.

But, regardless of failures, more wells are drilled because people want oil, and men are willing to take risks to try to fill that need and make a profit.

This is what the economists speak of as incentive. It exists in its true state solely under free enterprise. Only the hope of reward for success can make men take the chance of failure.

## FATHER'S DAY—BRIEF GLORY

Once a year the family pauses briefly in its daily routine to acknowledge that: 1. They know that father's around even if they don't pay much attention to him; 2. They appreciate all the nice things he does for them even though they usually don't say much about it; and 3. Dad is really a swell guy even if they seem to think otherwise at times.

The day for the pause and for the expression of points 1, 2 and 3 is next Sunday, June 19. It's known as Father's Day.

On that occasion the head of the house (well, they call him that, anyway) will grin a bit self-consciously and his face will glow in the reflection of a brilliant tie (a gift from the family) while he hears the eulogy in his honor. He'll be surprised to learn what a wonderful fellow he is.

On June 20, he will be himself again and on July 1, he will pay the bill for the tie the family gave him.

## Vacation Time Is Here!

We have sporting goods for the whole family and for any kind of vacation. Here are a few examples . . .

- RODS AND REELS
- BAIT AND LURES
- TACKLE BOXES
- COLEMAN STOVES AND LANTERNS
- CAMPING EQUIPMENT
- MERCURY OUTBOARD MOTORS

### Merchants Lead NSA League As First Half Schedule Ends

At the end of the first round of league play, the Cypress Merchants hold undisputed first place in the National softball association league.

The Merchants closed the successful campaign last week with their ninth win of the season, against one loss, an impressive 5-0 victory over Chris' Union Oil.

Previously in the week, the Merchants technically won a forfeit over the Norwalk Merchants when the latter's team failed to field nine men at game time. A practice game was held, however, after the Norwalk outfit secured some extra players and Cypress whitewashed them 14 to 6. The local team was the victim of a rally by Norwalk when the losers brought in four runs after trailing 14 to 2 at the beginning of the inning.

First baseman for Cypress, Jimmy Wright, won for himself the name of "Jumping Jack" when the public address announcer remarked about his actions on the field. At one time, when Jimmy couldn't quite agree with an umpire's decision, he went through such antics as kneeling in the infield and bowing several times to the official. The crowd liked it but the official wouldn't commit himself.

As the Eagle says, "All in all it seems pretty much of a gamble—but men are like that. There's nothing so intriguing as the unknown, and the endless quest for knowledge and adventure causes hardy souls to risk their lives and fortunes." That statement pretty much sums up the whole history of the oil industry. Untold sums of money have gone into the ground and have produced nothing.

### Kittens Claw Cypress 16-2

Wild pitching and erratic field work gave the Buena Park Kittens a 16 to 2 victory over the Devilettes of Cypress on the winners' field Monday night. Wright, starting hurler for the Cypress, couldn't seem to find the plate and was retired in the middle of the second frame. Young's offerings were more tempting, but her support was weak.

Eloise Bielefeld started the mound chores for the Kittens and had the misfortune of being nicked for the visitors' two tallies. After that bad start she settled down well and with fine support manialed the Devilettes for the next three innings. Pat Sweet took over the slab in the fifth frame and found herself in hot water twice, but got out of it without body hurt.

### ANNOUNCE GIRLS' SOFTBALL CARD; TWO GAMES COMING

The schedule for the Devilettes, Cypress girls' softball team, was released this week.

Of the five games played so far this season, the Devilettes have come out on top three times and lost twice. Their victories were an 8 to 7 win over Corona, a 13 to 9 win over Olive and Tuesday night's 6 to 4 victory over Norwalk.

The Devilettes took the count when they lost a 27 to 2 contest to the El Segundo 'Tom Boys' and a 16 to 2 loss to the Buena Park Kittens.

Next week's Games  
Next week shows a two-game card for the Devilettes. Tonight, they meet Hawaiian Gardens at 6:30 at Hawaiian Gardens and Tuesday at 7:30 they tangle with the Lionettes on the Cypress elementary school diamond.

### GENE NOE WINS PLACE ON NAVY TENNIS TEAM

Gene Noel, son of Mr. and Mrs. Frank Noel, has won a place on a navy tennis team to play in the all-coast navy tournament in San Diego. Exact date of the tourney has not been disclosed.

Noe earned the choice spot by working up through two stiff preliminary tournaments.

The first was held by his home base, the Long Beach naval hospital. He won a spot in the semi-finals of that competition, which gave him a place on the sixteen-man team which went to the District tournament at Terminal Island.

In the latter contest, Noel stayed undefeated until only four men were left and was told he could compete in the San Diego affair. In the last match, a challenge contest which was to decide the last spot on the four-man team to make the trip, Noel defeated a commander in straight love sets. He is the only enlisted man on the team.

### CIRCUS COMES TO TOWN! Makes Birthday Celebration of Four A Gala Affair — Held in Sick Room

What is more fun than a circus? And if it's your birthday and you're twelve years old, and the doctor says you must stay in bed for many months, what is better than to have the circus and all the kiddies come right to your bedroom to help celebrate? And if you have three brothers whose birthdays are all about the same time as yours—well, hurry for a birthday party.

Stricken with an illness causing softening of the bone in the hip joint, J. R. Appleby is confined to bed with his leg in traction. His mother, Mrs. Harold Appleby, recently contrived the novel circus birthday party in honor of the brothers, J. R. and Donnie Appleby and Mickey and Ernie Scott at the home residence, 5562 Danny avenue.

Decorations were used to transform the room into a circus tent, and balloons festooned the bed and added to the atmosphere of the occasion. Upon arrival, each guest was presented with a circus mask, with his age marked on it.

The honorees received many gifts, and the afternoon was spent in playing games for prizes and watching television.

Mrs. Appleby provided a huge home-made birthday cake, flanked by two smaller heart-shaped cakes. The ice cream served with them was also home-made.

Present, in addition to the hon-

ored guests, were Nancy and Gracie Baden, cousins from Los Angeles and Jackie Davis and Jackie Corker, cousins from Artesia, Virginia and Donnie Holt, Michael Nolan, George Sedia, Gail Holmes, Georgia Lynn, Jerry DeVries, Robert and Judy Stein, Susan and Jimmy Beason, Michael and Jerry Bolinger, Mrs. Myrta Reade, an aunt, and Birdie Doble, from Glendora and Mmes. Corker, Davis, DeVries, Beason, Junker and Stein.

### AUXILIARY INVITES GUESTS SATURDAY TO "GET-TOGETHER"

A gathering planned particularly to include guests from the Cypress area, as well as members of the auxiliary to Post No. 9847 of the VFW, has been planned for Saturday, June 18. To be held in the organization's meeting hall at the corner of Lincoln avenue and Miller road, the party will begin at one o'clock.

Household products of good quality will be demonstrated and Jean Kreissler, president, states that coffee will be served. There is no admission charge.

Mrs. Ernest Mitchell is now employed in the office at Hunt's in Fullerton.

### I RISE TO REMARK by John Phillips

In this office, the postman doesn't stop to ring twice; he just walks in and dumps a bushel of mail on the desk, and walks out.

One of the pieces is the "Daily Statement of the United States Treasury." It doesn't sound very exciting, and when you look at four long pages of small-type figures, it doesn't look very inviting, but it has a closer relation than you think to the future of representative government.

Let's look at a little item on page 2. "Income tax withheld by employers." For the first week in June, \$106,133,176.64, and for the same week a year ago, \$107,236,154.21. A million dollars in one week. No matter why; it's a million less. For the fiscal year, to date (three weeks short of the full time) without giving figures, short \$1.5 billion.

Then turn to page 3, about half way down: "Expenditures, Unemployment trust funds, Withdrawals by states." For the first week in June \$45.4 millions, and for the same week last year, 416.8 millions. That's an increase of \$29 millions. In one week. For the fiscal year to date, an increase of \$400 millions. That's an increase in unemployment. Men and women who don't work, can't pay taxes. Government is paid for from taxes.

Finally, turn back to page 2, near the bottom. "Budget surplus or deficit." It's still in the black, but it's only \$857 millions, and a week ago it was a billion, and a couple months ago it was several times that. Wait a minute, what's this little reference under the total? "Expenditures to date exclude \$3 billions spent from E.C.A. trust fund. If this were included there would be a deficit of \$2,142,374,316.80." That's one way to stay in the black ink, just omit \$3 billion expenditures!

I rise to remark that we cannot impose more taxes on the patient and suffering taxpayers. There is a saturation point beyond which increased taxes bring no more money. There is only one way to prevent more taxes; stop spending more than we take in. There is only one way to stop spending more than we have; cut the unnecessary and duplicating

### SUMMER MEETINGS TO BE IN PARK FOR LOCAL CLUB

The home of Mrs. Carl Beason on Belmont street was the meeting place on Wednesday of the Junior Woman's club. Serving with Mrs. Beason as co-hostess was Mrs. George Marshall.

Plans were made for a lamb

barbecue at the home of Mr. and

Mrs. Lawrence Gaylord on Moody

street on the evening of June 24.

It was decided that instead of meeting in the homes of the members during the summer months, they will gather at Anaheim City park for their meetings.

Those attending were Mrs. Bennie Pugh and daughter, Linda, Mrs. George Costa, Mrs. Leslie Brannan, Mrs. Glen Miser, Mrs. John Lukens, Mrs. Lawrence Gaylord, Mrs. Howard Minnie, Mrs. Norville Chapman, Mrs. Dubert Laird, and Mrs. George Gamble.

## CYPRESS LOCALS

Mr. and Mrs. Harry Mainard, of Long Beach, are moving to Cypress soon. Mainard is retired.

Mr. and Mrs. Jesse Vaughn, 5532 Bishop street, report grunion hunting as being very poor last week-end. To use exact quotes, it was "lousy." Vaughn, who was in poor health during the winter months, is much improved and able to work regularly. He is still under the doctor's care, however.

Ray Dye, stationed in Seattle with the Coast Guard, will be home on leave starting July 14. Mrs. Dye expects to join her husband and after the vacation will return with him to the northern part of the country. The Dyes own their home at 5541 Saint Ann avenue.

The monthly meeting of the Cypress Woman's Club, postponed last week because of the school picnic, is scheduled for Tuesday afternoon. Mrs. James Bryant will be hostess in her home on Hansen road.

Otho Switzer left the hospital in Covina on the fourth of June. He is being cared for by Mrs. Switzer in the apartment she recently rented in that city.

Mr. and Mrs. Ralph R. Ellsworth left Tuesday evening by car for Phoenix, Arizona. They will visit her sister for a week or ten days.

Mr. and Mrs. George Browning and daughter, Jo Ann, have returned to the home they own at 5701 Saint Ann, which has been rented the past few weeks.

Two Cypress couples, Mr. and Mrs. Jim Broadbelt and Mr. and Mrs. Carl J. Sanders, Jr., left Saturday for a week of traveling in northern California. The route was not planned when they left, but they expected to spend the first night at Lone Pine.

Among the class of graduates from the University of Southern California last Saturday, Robert Hoyt, 9032 South Walker street, received a bachelor of arts degree. Approximately 4200 seniors comprised the largest graduating class of Trojans since the university was established sixty-nine years ago.

"Doc" and Mrs. Ernest Lupton, 6171 Monroe, are sporting a new '49 Cadillac.

USE OUR LAY-AWAY PLAN

Among cities and communities to be furnished with new school busses by the county for the next school term, it is reported, is Cypress. Busses being purchased will carry from 42 to 95 passengers.

At a picnic of the Swiss club at Sycamore park in Los Angeles on a recent Sunday, Mrs. Job Denni of 9512 Juanita street was the winner of a television set.

Mr. and Mrs. Kermit Johnson and daughter, Sharon, of 5661 Danny street, who have been visiting relatives in South Dakota for the past three weeks, are expected home this week.

Mr. and Mrs. Henry Lesch have been enjoying a ten day visit from their daughter-in-law and grandson, Mrs. Hubert Lesch and son, Dickie. They left on Wednesday for their home in Stockton.

Mitchell Tucker, who was a resident of Cypress during his school days when he attended Cypress elementary and Anaheim high school and made his home with the Bob Robertsons, was calling on old friends last week. Tucker was graduated this month from California Polytechnic school where he studied poultry and has been offered the management of a large poultry firm in San Luis Obispo.

Cpl. James T. Lowe is now serving with the 118th Medical Station hospital in Fukuoka, Kyushu, Japan, as laboratory technician. Corporal Lowe's mother, Mrs. E. C. O'Neal, resides at Cypress.

Mr. and Mrs. Stan Doerr and Tommy are moving this week-end to their new home at 852 North Palm avenue in Anaheim. Doerr, who operated the Sundries for the past four years, has been very active in community work and the family will be sadly missed.

Mr. and Mrs. C. W. Bengston, 4221 east Lincoln, returned Sunday from a two weeks' vacation. They drove directly to Seattle, and then spent time visiting relatives and sight-seeing, enjoying a more leisurely trip home.

Mrs. Inez Hicks of Kankakee, Illinois, is concluding a three week's visit with her sisters, Mrs. Stella Prowse and Mrs. C. W. Bengston.

Approximately 225 person, including pupils, their parents and teachers, attended the annual Centralia school picnic last Friday at Irvine park. Following the lunch, which featured hot dogs, bicycling, boating and other park facilities were enjoyed. The P.T.A. sponsored the picnic.

Mr. and Mrs. Leo K. Smith, 5731 Lincoln avenue, have left on an extended trip north. They will visit places of interest and on the return trip spend a few days with Mrs. Smith's relatives in San Luis Obispo.

**Break Ground For New Catholic Church on Sunday**

Groundbreaking ceremonies for the new Buena Park Catholic church will be held at 2:00 p.m. Sunday at the Northwest corner of Grand and Orangethorpe avenues.

Representatives of all service clubs in Buena Park will be present for the occasion and Monsignor Bernard Dolan of Long Beach will represent the Chancery office at the ceremony and will give a short speech.

First spade of dirt at the groundbreaking will be turned by Father Kass of the parish of St. Pius V of Buena Park. Master of ceremonies will be Frank O'Brien. He will introduce the honored guests.

**Cypress History Discovered By Mrs. Williams**

(Ed. Note — While looking through some old papers recently, Mrs. Olive Williams ran across interesting historical facts and figures she once compiled about Cypress. She also found interviews of old-timers around the town that disclose a picture of what the town was in its early stages when the settlers arrived. She has kindly permitted the ENTERPRISE to reprint excerpts from her writings. More short articles will follow in succeeding issues.)

**Historical Background of Cypress**

For his services in the Mexican army, one Manuel Nieto was granted all the territory extending from the Santa Ana river to the San Gabriel river and from the San Gabriel—San Diego road to the sea.

When he died in 1834, his children divided their inheritance into five ranches and a son, Juan Jose, got the territory where Cypress and Los Alamitos now stand.

According to old legends, Nieto sold his inheritance to Jose Figueroa, governor of California, for \$500 in gold. Figueroa never lived on the ranch, however, hiring a Major domo to manage the estate. At his death it was sold to Abel Stearns—a shrewd Yankee from Salem, Mass., who had lived several years in Los Angeles and had taken out Mexican citizenship. He was married to Arcadia Bandini, a beautiful young Mexican seniorita.

In 1835, Stearns' title to the land was confirmed by the United States district court. The Stearns' Rancho comprised 28,000 acres, and included the following ranches: Los Alamitos, Los Coyotes, Las Bolos, San Juan Cajon de Santa Ana, La Bolso Chica and La Habra.

**Buried Treasure Myths Costly**  
The old Los Coyotes ranch house, an important point in its day, was located near Northam station near the Santa Fe railroad. Stories of buried treasures lured the credulous, who hastened the ruin of the buildings by excavations. The site of the ranch house was recently marked by the Mojave chapter of the DAR.

Stearns, who was familiarly known as Don Abel, stocked the ranch with fine cattle but the drought of 1864 brought ruin, 30,000 head of Stearns' cattle died and he was unable to pay off a mortgage which had been placed on the ranch to build the Arcadia block in Los Angeles.

Foreclosure followed and the Stearns' Rancho became the property of Michael Reese of San Francisco.

Several years later, Reese sold part of his holdings to a group of men who called themselves the Los Coyotes Ranch Co. Stockholders were Edward Northam, Edward Martin, C. B. Polhemus, George H. Howard, A. W. Bowman and Abel Stearns. Parcels of land were sold to various settlers,

many of them sheep men, and the old rancho where thousands of head of cattle had roamed under the Stearns regime passed out of existence.

**Extensive Plans By Nazarenes For Recreation**

The first consignment of equipment to be set up at the Cypress Church of the Nazarene for the young people's groups was received this week.

In speaking of the plans being made, Rev. W. D. Howard pointed out that several areas on the church property have been designated for certain games. There will be arrangements made for croquet, badminton, volley ball, shuffleboard and ping pong tables. It is also planned to use space to the back of the church for a small ball diamond. All of these facilities will be available to all members of the community who care to use them.

The responsibility for readying equipment for this extensive program lies with the youth group of the church. It will be necessary to raise a sum of money to install flood lights so that better use may be made of the conveniences for recreation offered.

Rev. Howard also stated that donations of equipment would be gratefully received by the church.

## Los Alamitos

Mrs. Frank J. Watte, Phone L. B. 95348

The American Legion is commencing to prepare a new place of meeting. They have taken over the building formerly used by Monte Vista Cleaners. They hope to have it made into a nice club room soon.

The Alamo Howowners association will hold a special meeting Friday night in the school buildings. Ronald Crane, president has invited an attorney in to discuss the grievances of the property owners.

Fred and Joan Robinson attended a birthday party in honor of Dick Murphy at Jackie Cushing's home in Stanton.

Mrs. Alameda Long, the very recent bride of Chuck Long, was taken suddenly ill last Friday and rushed to the hospital. She underwent an appendectomy. She is recuperating in the Artesia hospital but was expected home on Wednesday.

St. Isadore's Catholic church will hold its monthly bingo party Friday night in the rectory. A big jackpot is offered, a door prize, and good refreshments are promised. Everyone is invited to attend.

Two Los Alamitos residents passed away this past week. Friends of young Danny Azevedo and Jack Sjoström, who was co-owner of the Palm Tree cafe, wish to offer condolences to the bereaved relatives.

Midshipman fourth class William C. Cue, USNA, son of Mr. and Mrs. Raymond L. Cue, 3591 Howard street is a member of the company of midshipmen at the naval academy, Annapolis, Maryland, which won the interbrigade competition or the company flag this year.

Congratulations are in order for the following graduates: Don Aguilar, Joan Robinson, Victoria Fitzgerald, Jolene Jennings, Ruth Corley, Louise Kerr, Richard Murray, Peggy Shaw and Barrett. They all received their diplomas Wednesday at graduation exercises held in Anaheim high.

Cliff Sjoström presented Jolene Jennings with a lovely diamond engagement ring Friday night, so there will be wedding bells in the not too far distant future.

**Art Gallery.**  
June 9-12  
**SIERRA MADRE PIONEER DAYS**  
Townpeople wear western costumes; parades of children and pets; procession of ancient automobiles; carnival.  
June 10-12  
**BEAUMONT CHERRY FESTIVAL**

Town decorated with large branches of ripened cherries. Festival, to celebrate harvest in San Geronimo Pass, includes gymkhana, agricultural exhibits, carnival outdoor dance, and parade at 11 a.m. on second day.  
**GRUNION RUNS**  
Anchoy-like fish squirm onto Southern California beaches in light of moon during falling high tides, and are caught with the hands. "Runs" — each lasts approximately an hour — are predicted beginning at 9 p.m. June 11; 9:45 June 12; 10:30 p.m. June 13; 11:15 June 14; 9:30 June 27; 10:15 June 28; 11 p.m. June 29; and at midnight June 30.
